- : Operational/REDWOOD/LCINPROVE/ABRATH
- : Fiscal Year 1958 ABRATH Project

Action Required: See below.

1. Since last year's renewal, there have been no terminations or additional assignments of agent personnel within the project - at least to our knowledge. However, we note that the Budget Estimate for Fiscal year 1959 carries two individuals for salary. We are curious, therefore, to learn the identity of the second person who is being salaried by the ABRATH Project. We might add, however, that you may have already made it a matter of record and we inadvertently overlooked it. If the name is already in Headquarters, please identify it by dispatch number.

2. Just a reminder: We assume you are aware of the fact that the Fiscal year 1958 ABRATH project is running well beyond the estimated cost.
